The Australian Women's Weekly : Easy Cakes Biscuits (The Australian Women's Weekly Minis) before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Cakes Biscuits (The Australian Women's Weekly Minis):

Everyone loves homemade cakes, biscuits and slices, but they've become a luxury now that we're all so rushed for time. These appealing recipes look impressive but are so quick and easy to make that even the busiest of us can keep the biscuit tin and freezer full of delightful homemade treats. As well as the cakes and biscuits there are recipes for

easy icings, fillings and toppings, easy kids' biscuits and easy cupcakes.
