Found very little in this book that my dog could or would eat. A real disappointment.

Excellent recipes that are healthy for your dog and very affordable! And it's even available as an audiobook, which gives you a chance to choose which recipe/s you'll make when you get home after driving around listening! Great idea!

Easy Dog Biscuit Recipes: Learn How To Make Dog Biscuits With Our Homemade Dog Treat Recipes And Save Loads Of Money. This book is filled with loads of recipes that will save you money compared to buying them at the store. For example the sweet potato treats are simply going to be the cost of a sweet potato and the time it takes to make them, which isn't very long. No more will you have to go to the store and buy bags of dog treats, instead you can make them yourself. Taking out all the preservatives, additives, or whatever allergy your dog has. Learn how to make peanut butter dog treats, liver biscuits, easy sweet potato treats, and 20 more. You can make them organic by simply substituting organic bought in place. Instead of wheat flour in some which some dogs are allergic too you can substitute brown rice flour. I tried to make it easy so that some ingredients would be easily interchangeable for whatever dog allergy you dog has.
