**Debbie Brown : Easy Party Cakes: 30 Original and Fun Designs for Every Occasion** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Party Cakes: 30 Original and Fun Designs for Every Occasion:

3 of 3 people found the following review helpful. Great ideas By Evelyn HI love to look at her books for inspiration and this one has plenty. Her figures are whimsical and fun. Her techniques are explained nicely and easy to follow. My only concern is that the recipes for cake and frosting are not ones that I would ever use. The cakes look dry in the photos and there does not seem to be much thought to the cake filling or tastiness of the icing. But I buy her books for the decorations and with that in mind, I am thrilled with my purchase. 0 of 0 people found the following review helpful. Great cake decorating books. By Mary Koselke I love her cake books. She gives excellent directions. My results have been very impressive. Her cakes are easier to do than they look. 4 of 5 people found the following review

helpful. Love Debbie Brown! By RIA I agree with the review above in that the cakes are not easy and are not your typical celebrations cakes. I love Debbie Brown books and have most of them. The cakes are whimsical and fun. As far as ingredients, fondant can be purchased online (a good one is Satin Ice) and Wilton gumpaste can be bought at Michael's or Joann's craft store..and can also be bought online as well. A homemade marshmallow fondant recipe can be found online too. I haven't tried her recipes, but I do use my own, using a firmer cake like poundcake for carved cakes. Great ideas to inspire creativity.

Make every birthday or any occasion special with a cake from this wonderful collection. All the recipes are tasty, easy to create, and look fabulous. The guide begins with a comprehensive section on basic cake decorating, including advice on tools and equipment. Adults and children alike will love every delicious treat featured here, whether it's a Sleepy Ted, Princess Cupcakes, or Champagne Bubbles—30 fun and original novelty cakes are included in all. It is a wonderful source of inspiration for the experienced and novice baker.
