Maxine Clark : Easy Sushi Rolls and Miso Soups before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Sushi Rolls and Miso Soups:

Fiona Smith has included lots of modern delicious tastes for rolling up with healthy rice and delicious nori seaweed wrapping. Recipes include: vegetarian sushi with cucumber, chives and cashews; California roll with avocado, cucumber and fresh crab; and roast pork with pickled plums.

About the AuthorDiana Miller is a leading London photographer. She started her career in films, but after 8 years working in the cutting rooms, moved behind the camera. She has photographed numerous books, including several by leading chefs such as "Gordon Ramsay". Her work appears in magazines, for example "House Garden", "Gardens Illustrated", "Homes Gardens", and "Country Living". She lives in England's Cotswolds when she isn't working out of her London studio.Fiona Smith is an up-and-coming young food writer and food stylist from New Zealand, who also works in Europe. Her work appears in books, magazines, in advertising, and on television. She writes for various publications, including "Cuisine" magazines, and her previous books for Ryland Peters Small were the hugely successful "Dim Sum" and Fondue.
