In volume 2 of Edible Fondant Creations, I present to you the wonderful and fun Christmas edition! With a little fondant and some simple cake decorating tools, this guide gives you step-by-step instructions on how to make real-life, edible Christmas cake and cupcake toppers. Over 50 beautiful and detailed photos guide you through each step. Learn how to make polar bears, penguins, baby jesus in a manger, frosty the snowman, and even a full plate of turkey dinner with all the fixings, and more!
