Berry Verhoef : Enciclopedia de la cerveza (Grandes obras series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Enciclopedia de la cerveza (Grandes obras series):

0 of 0 people found the following review helpful. Good recreation reading.By A. R.Very detailed, easy to read. Plenty of full-color images, all printed on high quality paper. The used book belonged previously to a library and is in very good condition (as advertised).

Educational, entertaining, and stimulating to the senses, these authoritative and handsome encyclopedias present each of their subjects in rich detail. Packed with information, photographs, and illustrations each book is organized around helpful themes.This reference includes extensive reviews of more than 1,200 beers from around the world and discussions of brewing, beer etiquette, breweries, and the different ways in which beer is enjoyed.

About the AuthorBerry Verhoef is an authoritative beer collector. He has traveled breweries around the world in search of the perfect beer.
