1 of 1 people found the following review helpful. Enjoy Chinese CookingBy Denly KongThis is another excellent work by Judy Lew. The book compiles easy to follow authentic Chinese recipes. Many recipes are simplified for easy home cooking. Items listed for recipes are easy to find in any oriental store or even the grocery store all throughout North America. There are vast choices of recipes available in this book to fit your need of home cooking or entertaining guests. The more exotic Dim Sum recipes portion of the book provides more insights into traditional Chinese appetizers. The step by step pictured instructions gives an exceptional perspectives to the methodologies of Chinese cooking. Definitely a book worth buying.
