Alex Barker : Essential Guide to Cake Decorating before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Guide to Cake Decorating:

3 of 3 people found the following review helpful. Essential Guide to Cake DecoratingBy JMM[[VIDEOID:mo5R7HR6RD3RJN]]I purchased this for a family member who is interested in cake decorating. For a beginner, the cake designs look pretty challenging. But the book has step-by-step instructions and includes a lot of images to help guide one through the process.The book begins with an introduction to cake decoration and a list of supplies that might be useful. Then it goes into dozens of original recipes and designs. All types of cakes are included: chocolate cake, carrot cake, cupcakes, etc.. Decorations vary from everyday designs to special occasions (Valentine's Day, birthdays, etc).0 of 0 people found the following review helpful. Can't bake...but thought I'd tryBy TheReaderI picked this book up in a store a couple of years ago on a whim. I really don't "cake" bake, but have always wanted to. So far I've made excellent Royal icing, marzipan, and a couple of the completed cakes that, for the most part, look like the pictures, And...it was actually fun! Planning on trying the penguin cake this fall for a family reunion. I just bought

another book today, from , to send to my daughter-in-law who likes to make unique cakes.0 of 0 people found the following review helpful. Five StarsBy Della Lowelove it
