This is the most ridiculous thing anyone sold for this much money. Scammers! This makes me want to delete 0 of 0 people found the following review helpful. everyday indianBy Liz H.These recipes are easy to follow. It would have been nice if they had included the spices used in some of the spice blends so you could

make your own, but overall it is a good cookbook.

Indian food is growing in popularity and gaining the recognition of many people. This book is a compilation of 25 different slow cooker Indian meals that are easy to make and will cook all day in your home. These recipes smell delicious as they slow cook away. The spices will fill the air in your home and make the neighbors jealous. The best part about all of these recipes is that they are slow cooker recipes which means you can make them even if you are on a limited schedule. All of the recipes in this book are delicious and do not take a lot of prep or work time. You will enjoy many Indian favorites from Butter Chicken to Lamb Curry and everything in between.
