recipe we made was very simple, easy to follow, and tasty. We made muffins with it, and not only were they delicious, but they froze well, and tasted just as good as fresh-baked when thawed. All of the recipes we have tried have come out the way the book says they will (except where our oven is finicky and gets the product too dark, but that's our oven, not the recipe's fault!) We're looking forward to a few more goodies this summer when zucchinis are in full-season availability. 0 of 0 people found the following review helpful. With the Everything Zucchini Recipes Cookbook, you will no longer have to wonder what to do with an overabundance of zucchini. This cookbook contains more than eighty delicious zucchini recipes for you to try. This new cookbook not only includes zucchini bread recipes, but also main dish zucchini recipes, zucchini dessert recipes, zucchini muffin recipes, recipes for making homemade zucchini jams, marmalades, and preserves, and even recipes for canning relish and mock pineapple zucchini. Several recipes, especially in the jams and marmalades section, are best suited for using large zucchini when preparing them. The problem of figuring out what to do with huge baseball bat size zucchini is a thing of the past. The Everything Zucchini Recipes Cookbook contains a total of 83 zucchini recipes for you to choose from, so you are sure to find plenty of new recipes to try. Many of them are certain to become favorites with your own family. Whether you raise your own zucchini, have a friend with an overabundance of the versatile vegetable, or buy your zucchini from a local farmers' market, this is one cookbook that you will want to own. Don't forget that zucchini also freezes well. Place some in your freezer for future use, and you can enjoy many of your favorite zucchini recipes all year long.
