translation from some source other than the author. Many still require some stove-top prep for some of the ingredients. Recipes are brief and short of information in some cases (like "marinate", but no indication for how long, or vague/general direction in other cases). 0 of 0 people found the following review helpful. Good buy! By Debbie I love Indian cooking and now being able to reproduce it in my own kitchen is awesome! Good buy! 0 of 0 people found the following review helpful. Really like!
