This colorful collection of Christmas cookies is something to celebrate! With nearly 100,000 copies sold, it's already a family favorite—and that's no surprise with such scrumptious recipes as Chocolate Crinkles, Candy Cane Twists, Snowballs, and Raspberry Tarts to choose from. These cookies are as simple to bake as they are yummy to eat. Every recipe features steps that kids can easily handle, and ideas for variations that inspire creativity. Savor them, turn them into beautiful ornaments, or give them as a holiday gift—there's excellent advice on wrapping and mailing them, too!
