Book is still in its original cellophane and has never been opened. Large paperback with a collection of country recipes contributed by the Wood Family of Yellville, Arkansas and friends. Designed with beautiful full color photographs, helpful step by step instructional photos and delicious, country style recipes. Recipes selected for their regional authenticity and feature the no Mess Dough Disc. America's newest, most helpful kitchen innovation. This is what is written on the face of the recipe book. Excellent, affordable recipe book to give as a Christmas gift. Hurry, may not last at this very reasonable bargain price!!!
