Eric Childs, Jessica Childs : Fermentation Home Brewing before purchasing it in order to gage whether or not it would be worth my time, and all praised Fermentation Home Brewing:

People everywhere are rejecting industrial food to produce their ownmdash;and fermentation is at the zenith of this movement. It is slow food at its slowest; optimizes nutritional health; and confers unique flavors and textures. This mouthwatering survey presents a world of recipes for fermented foods and beverages to make at home, from bread and beer to ketchup, kombucha, and kimchi. Featuring tantalizing photography and tips from the pros, this book is the ultimate resource for everyone from the newbie to the seasoned fermentation enthusiast.
