Rick Armon : Fifty Must-Try Craft Beers of Ohio before purchasing it in order to gage whether or not it would be worth my time, and all praised Fifty Must-Try Craft Beers of Ohio:

Every craft beer has a story, and part of the fun is learning where the liquid gold in your glass comes from. In Fifty Must-Try Craft Beers of Ohio, veteran beer writer Rick Armon picks the can't-miss brews in a roundup that will handily guide everyone from the newest beer aficionado to those with the most seasoned palates. Some are crowd

pleasers, some are award winners, some are just plain unusual—the knockout beers included here are a tiny sample of what Ohio has to offer. In the midst of the ongoing nationwide renaissance in local beer culture, Ohio has become a major center for the creation of quality craft brews, and Armon goes behind the scenes to figure out what accounts for the state’s beer alchemy. He asked the brewers themselves about the great idea or the happy accident that made each beer what it is. The book includes brewer profiles, quintessentially Ohio food pairings (sauerkraut balls and Cincinnati chili!), and more.

“The craft beer industry is poised for continuing growth, adding to the timeliness of this lively book. It will educate and inspire both longtime enthusiasts and those new to the world of craft brewing.”—Neil Reid, “The Beer Professor,”
