My mouth almost waters just thinking about them. I never knew the food in the Philippines tasted so great. I have always wanted to travel there and now with this book I really can! Each recipe is broken down into easy to follow steps that anyone can follow along with. Also, the ingredients aren't very hard to find. My favorite part is that there are pictures of the different food that helps you know that you followed it correctly!1 of 1 people found the following review helpful. Great CookbookBy BrandenHad some really good recipes and all different types to.3 of 4 people found the following review helpful. Fairly StraightforwardBy MadeupaginHowever, some recipes stuck me as a bit strange. I've never seen a Filipino recipe with mayonnaise or evaporated milk. Again, shortcuts that American cooks should appreciate. The measurements were all in American. Pictures! A nice collection to get an American cook started.
