C.J.J. Berry : First Steps in Winemaking: A Complete Month-by-Month Guide to Winemaking in Your Home before purchasing it in order to gage whether or not it would be worth my time, and all praised First Steps in Winemaking: A Complete Month-by-Month Guide to Winemaking in Your Home:

1 of 1 people found the following review helpful. Best wine making book I've ever purchased By Robert M Best wine making book I've ever purchased. Lots of recipes and great explanations as to how/why things happen during the wine

making process. Highly recommend! 1 of 1 people found the following review helpful. For the Fruit wine maker. Excellent. By CustomerA very good book for Fruit wines. Many great recipes. 1 of 1 people found the following review helpful. must read By CustomerA must read for winemakers of all levels. Prepares the beginner for the journey ahead; keeps the experienced winemaker busy with recipes throughout the year.

Become an at-home vintner using the methods and techniques in this book. Learn which wines are best for which seasons.

From the Back Cover Learn to make wine with this easy month-by-month approach. Discover the satisfaction and fun of making wine year round using readily available ingredients like fruits, vegetables, flowers, and more. Featuring more than 150 easy-to-follow recipes, this classic book by legendary brewing and winemaking expert C.J.J. Berry has launched more than three million readers into the hobby of winemaking, and is available again to a new generation of at-home winemakers. *First Steps in Winemaking* is the ideal introduction to winemaking because it takes the mystery out of the process with clear instructions that guarantee delicious results in your very own kitchen. You will learn everything you need to know, from how to obtain the desired flavor to maintaining the proper acid levels. With its convenient organization, you can make wine each month of the year either using the harvest from your own garden or the produce from the local grocery store. You'll even learn how to have a tasting and judge your own wine. So get started and turn your kitchen into a winery; there can be few pleasures equal to being able to offer friends, and enjoy with them, a glass of one's own wine. If you are toying with the idea of trying your hand at winemaking, delay no longer. Join the millions of people who have discovered this rewarding hobby. About the Author C. J. J. Berry is one of Britain's leading winemakers. Co-founder of the first Winemakers' Circle, founding Chairman of the National Association and former Editor-Publisher of the monthly magazine, *the Amateur Winemaker*, he has written several other books on winemaking and home brewing; upon which he is an acknowledged expert, has frequently appeared on television, and is always in demand as a lecturer and wine judge.
