**C. J. Berry : First Steps in Winemaking** before purchasing it in order to gage whether or not it would be worth my time, and all praised First Steps in Winemaking:

0 of 0 people found the following review helpful. WinemakingBy Melanie LeMasterA good book with a lot of detail about winemaking. Important for people who are serious and want to try this art without too many mistakes.0 of 0 people found the following review helpful. excellent book on wine makingBy M. CarlsonI was so happy to find this book as it is a classic on winemaking. The book arrived on time as promised and I would do business with the seller again.. I just made a lovely banana wine and can't wait to try more of the recipes.0 of 0 people found the following review helpful. Not what I expected. However, delivery was fast ...By CustomerNot what I expected. However,

delivery was fast as promised.

With more than two million copies sold, this comprehensive guide is the ideal introduction to the fascinating craft of winemaking.
