**Mark Miller, Andrew Maclauchlan : Flavored Breads: Recipes from Mark Miller's Coyote Cafe** before purchasing it in order to gage whether or not it would be worth my time, and all praised Flavored Breads: Recipes from Mark Miller's Coyote Cafe:

0 of 0 people found the following review helpful. Great bread bookBy D ZattauThis is a fine piece of writing, it includes many recipes adapted to bread machines....an extra bonus for me. I've used a bread machine for years, this gives many new and better recipes for it. Now I am baking bread by hand and from scratch and love the flavors. A whole chapter on cornbread also. Couldn't ask for much better than this.0 of 0 people found the following review helpful. Loved this CookbookBy Spiney StarThis was a super great addition to my cookbook collection. The red sage quinoa bread is really good, as is the Irish oatmeal bread. I like that this book also contains bread machine instructions so you have options. This book also makes gread reading for food afficionados.0 of 0 people found the following review helpful. Great addition to your cookbook libraryBy Debra A. KellerThis is a great book full of delicious bread recipes. I want to try nearly all of them!

The authors put a savory spin on the hottest trend in bread-baking, with recipes for flavored corn-based and whole grain-based breads, quickbreads, flatbreads, rustic breads, and wonderful breakfast breads. Also included are full-flavored accompaniments such as Red Chile Honey and Black Cherry and Ancho Spread. Approximately 30 full-color photos capture the romance of bread baking in the Southwest.

From BooklistGrab any cookbook by Miller, owner-chef of Santa Fe's Coyote Cafe. Home cooks can expect nothing but innovative recipes, intriguing information, and instructions to make all this the right stuff. Every one of his more than 100 recipes features numbered sequential directions, a real boon for those who scan and browse. Bread machine instructions are included whenever appropriate, and even the introductions and headnotes for all recipes yield at least one good serving of fact or tip. Barbara Jacobs
