Clare Ferguson : Flavors of China before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flavors of China:

0 of 0 people found the following review helpful. Basic overview book of recipes. By oldtexasdog Good but rely is basic as I was looking for something more involved.

This is a beautifully illustrated book about Chinese food and cooking techniques. It includes fish and seafood, poultry and meat, vegetable dishes, rice and noodles, desserts and ingredients.
