Periplus Editions, Tuttle Publishing Editors : Food of China (H) (Periplus World Cookbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Food of China (H) (Periplus World Cookbooks):

This cookbook is part of a series which aims to present a comprehensive encyclopaedia of world cooking. It contains a range of recipes gathered in China, each with step-by-step instructions and tips for preparation. An introduction explores the cuisine's cultural roots.
