Shanaz Ramzi : Food Prints: An Epicurean Voyage through Pakistan - Overview of Pakistani Cuisine before purchasing it in order to gauge whether or not it would be worth my time, and all praised Food Prints: An Epicurean Voyage through Pakistan - Overview of Pakistani Cuisine:

2 of 2 people found the following review helpful. Cultural Book only By T. Khan Book written with good representation of Pakistan cooking culture. Once author gets to the favorite recipes, it's about the author's choice, not the favorite for Pakistan culture. Recipes are from different parts of the world like Chinese! etc. 1 of 1 people found the following review helpful. A beautiful overview of Pakistan's cuisine and culture By Cecile Savigny Shanaz Ramzi has captured the subtleties of the Pakistani culinary culture in a beautifully illustrated book. It is a superb introduction to Pakistan, its history and communities through the various culinary traditions. There is a lot of information on meal patterns, dishes, ingredients, cooking methods by region. Did you know that Tamarind can be rubbed on to alleviate sunburns? Last but not least, Shanaz Ramzi's favourite recipes from across Pakistan give this book an appetising flavour. 0 of 0 people found the following review helpful. Beautifully done! By Kindle Customer Beautifully done! Interesting history of the cuisine of different regions of Pakistan. Some very good recipes from the author's repertoire, but best enjoyed as a

coffee table book. Well done, Ms. Ramzi!

Pakistan is home to many diverse communities, each boasting a cuisine that has been influenced by the country's rich history and varied topography. Food Prints celebrates this diversity and is a unique effort to bring to the reader the plethora of dishes popular in the country, tracing their origin and even the legends surrounding some of them. A colourful book, it encompasses recipes from across the country, and also includes some of the author's favourites from her personal repertoire.

Food Prints is an entertaining introduction to the diversity of Pakistani cuisine * Akin Ajayi, The Times Literary Supplement *About the AuthorShanaz Ramzi has been working as a freelance journalist since 1994. A prolific writer, she has written on a variety of subjects for various publications, both local and international, and has served as the Karachi correspondent for a Dubai-based newspaper, Emirates Today. A regular contributor to the magazine section of the English daily Dawn and the monthly magazine Newslite, Ramzi has been twice nominated for the Gender in Journalism Award by UNESCO. She joined HUM Network Ltd. in October 2004 as Head of Publications and Public Relations and as editor of HUMSAY, the premier media magazine of the country. She is currently serving there as General Manager, Publications and Public Relations, and Editor of Masala TV Food Mag, Pakistan's widely circulated food magazine.
