The recipes are somewhat dated but they workBy \_CustomerThe Food Processor Bread Cookbook may have dated recipes as they were developed for smaller food processor bowls. They still work with updated food processors and in some instances you can double the recipe to make a larger recipe.You will find a good selection of recipes ranging from savory to sweet.There are are recipes for all types of breads, rolls and coffecakes and sweet rolls.Highly recommend.0 of 0 people found the following review helpful. I found the recipe I was looking for.By How to get this fixedGood book4 of 4 people found the following review helpful. No need to kneadBy Maria E. SchuermanSo happy to have found this cookbook! How easy it is to make homemade bread of all kinds. No need to knead and the finished product is a delight.

Making bread with a food processor can simplify work normally associaed with making bread and in additon has wonderful international bread recipes.
