Karen Reyment : Foodies' Guide 2012: Brisbane before purchasing it in order to gage whether or not it would be worth my time, and all praised Foodies' Guide 2012: Brisbane:

The freshest local produce. The purest exotic spices. The most succulent local seafood. Brisbane foodies have a wealth

of fresh, locally grown foods at their fingertips. Finally, the bible for the burgeoning Brisbane foodie scene has arrived. The Foodies' Guide to Brisbane contains reviews of all the Brisbane foodie hotspots, as well as detailed sections on the Gold Coast and Tambourine Mountain, the Sunshine Coast, and Stanthorpe, including a chapter on the local producers: the sea-grape growers, blood cockle harvesters, peppercorn growers, buffalo cheese makers, tropical fruit growers, and vanilla growers that make the Brisbane foodie scene so vibrant. Featuring spotlights with handy hints, such as how to store quality chocolate in Brisbane's humid conditions, and delving into Brisbane's coffee culture explosion, The Foodies' Guide to Brisbane is for everyone who enjoys the hunt for the best food around.
