**Rod Phillips : French Wine: A History** before purchasing it in order to gage whether or not it would be worth my time, and all praised French Wine: A History:

0 of 0 people found the following review helpful. A great study in French wineBy ArleneI have for time wondered where all these wine varieties originated, many now so common in California. Most, if not all originated in France and this book gives a in depth explanation of why these varietals did so well there. Not all terrain and climate can produce great wine, there are some interesting reasons why.

"A fascinating book that belongs on every wine lover's bookshelf."—The Wine Economist

"Rod Phillips' comprehensive book, *French Wine: A History*, is an absolute tour de force, sure to be an instant classic."
