Freshen up Your PalateBy Heather A. SchmidtThis is a wonderful cookbook to explore if you are bored with your culinary fare. I enjoyed this book because the indian cooking is very authentic and health conscious. The Papaya and Pomegranete Fruit Salad,Beef Kofta Curry, and Spiced Lemon Rice were among my favorite recipes. This book provides recipes with wonderful color and texture and explores different approaches to spices. It is also filled with good ideas for vegetarian dishes as well.
