Farm cooking was a part of my childhood that I will always treasure. The farmhouse table was where families gathered for meals, sat and visited over coffee and bars, figured out crop placements, and did the books. It was the heart of the home. This volume contains recipes for cookies and bars. Whether it be a warm cookie with a glass of milk before bed or a plate of bars given to a neighbor or friend, the recipes in this book will be sure to bring you back to a simpler time.

About the Author: About Lauren Ann edit Lauren lives in Northern Minnesota with her husband and a very spoiled chihuahua. She is working on a full length novel, as well as additional volumes of her "From the Farmhouse Table" cookbook series. When she's not working or writing, she loves to cook, read, and crochet.
