By huckelbe@eden.rutgers.edu This book is utter trash. I was hoping for something that actually taught me something about how wheat becomes bread. It consists of a picture of a combine harvester telling me that wheat is grown and harvested. Then it shows flour followed by flour into bread. I think my Richard Scary books from age five taught me more about wheat becoming bread. 0 of 5 people found the following review helpful. Used, discard from a library By Lynda V The book has library stamps throughout and a shelving label on the spine. The pages are otherwise in good shape.

How does wheat turn into bread? Follow each step in the food production cycle from planting wheat seeds to eating toast with jelly in this fascinating book! Read all the Start to Finish titles and discover how one thing becomes another.
