An essential book for making character cakesBy The Arty CrafterThis was the next step for me after Maisie's marzipan figures book and it is fantastic. The instructions are clear and the cakes are clever, funny and full of personality. You can also use the fondant creatures as a starting point for your own ideas and cake creations. I loved this book.0 of 0 people found the following review helpful. Five StarsBy T. LeThin book but has beautiful characters and good step by step instructions with photos0 of 0 people found the following review helpful. Five StarsBy K NFun cake instructions! Can't wait to try some of them!

This quirky collection of celebration cakes boasts the unique but easily achievable modelling skills of internationally

renowned cake designer and sugercrafter Maisie Parrish. Each design has true character and unique charm and is ideal for a celebration with a difference, from birthday ballerina mice to carol-singing penguins. Each project is accompanied by quick-to-make cupcakes and minicakes to complement the main cake or to make when time is short. With simple sugarcrafting techniques and clear step-by-step photography, designs are ideal for both beginner and intermediate sugarcrafters. Whether creating a single animal topper or a whole singing and dancing theme, this book shows readers how to do it the fun and easy way.

About the Author Maisie Parrish specializes in creating cute and colourful characters for cakes. She is an International Tutor and Demonstrator for Wilton in the US and also demonstrates for Squires Kitchen in the UK. Maisie has appeared on QVC and UKTV for The Good Food Show.
