Roy Levy, Gail Mejia : Gail's Artisan Bakery Cookbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Gail's Artisan Bakery Cookbook:

0 of 4 people found the following review helpful. A beautiful book with such tempting recipesBy GailI haven't tried any of the recipes but can't wait to. A beautiful book with such tempting recipes, but I was disappointed the type was so small and very light imprint color. I will need to use a magnifying glass. I am currently gluten free but I've had the desire to bake bread for the last few years and will now hopefully "wow" my neighbor's with Gail's recipes. This book made me want to go to the next step and rethink the possibility and the joy of baking bread again. I used to bake bread over 30 years ago living on my sailboat in the Bahamas by hand milling grains into flour. I feel like going through this book one recipe at a time like the character Julie in the movie "Julie and Julia" about a novice chef who cooks every dish in Julia Child's book "Mastering The Art of French Cooking." Please, if you come out with a new edition, please make the typeface bolder and larger.0 of 4 people found the following review helpful. It is one of the best bread

baking books there only a few now one ...By David CampbellIt is one of the best bread baking books there only a few now one has been added to that few1 of 2 people found the following review helpful. Five StarsBy ElizabethFantastic Bakeries in London. Fab book.Measurements are in metric (g). Much easier when measuring out ingredients.Love Gail's!

The team behind London's most inviting artisan bakery shares their secrets for high-quality handmade bread and delicious vibrant foodmdash;from French Dark Sourdough to Ricotta, Lemon, and Sage Bread Pie

"lovely book" --Cooking by the Book, 3/21/2016
