Good read By Diehard Good read right in there with the show and it's comic relief, and while I'm no follower of thrones the person I got this as a gift for is a die hard fan of thrones and is absolutely delighted by this book and has been having a great time reading through it. As for the recipes, time and she will tell me how good they are, and I will update this review then. Until then, I'm giving this five stars for it's good lay out and art work and on my gift recipient's approval recommend it for fans of the show. 0 of 0 people found the following review helpful. This parody

cookbook is sure to keep anyone laughing with the clever titles and hilarious pictures of the food. The steps are very easy to follow and pictures of the final product and steps are included. This made such a great birthday present that I wanted to buy one for myself too! My only complaint is that it was not packaged well. The pages ended up being warped and did not lay flat. 1 of 1 people found the following review helpful. All Men Must Dine! By Monkey's Mom This book is brilliant! I am a huge fan of the show to begin with and I love smart parodies as well. The size was a bit smaller than I would have liked but the type is still easily readable. The recipes look incredible and I can't wait to try a few with my friends! As an independent filmmaker I plan to record some of these trials so more people will go check this book out! It would make a great gift for that chef in the family! Well done! Now I want more! Dinner Is Coming!

“Author Jammy Lannister, a pseudonym, is to be complimented for his left-handed approach to baking and for his 21 recipes, which are amusing yet appear to be no joke.” (Washington Post) “These Game of Thrones-Inspired Pastries Are Terrifying and Delicious at the Same Time” (Time.com) “If you're in the mood for some alarming-looking desserts for your upcoming binge-watching sessions, we've got the cookbook for you: Game of Scones” (Food Wine) About the Author Ser Jammy Lanister is a Knight of Westeros, a long-standing member of the King's guard, and one of the finest bakers in the Seven Kingdoms.
