MaguireThe beginning information (pages 12-38) is very helpful. I also like the inclusion of the nutritional analysis with each recipe. The book was in good condition, as the seller advertised.0 of 0 people found the following review helpful. Good recipes, easy to readBy kirkoIt will take me a long time to get through all these recipes, but they are excellent, easy to read.

Delicious, nutritious, and simple to make! With your bread machine, the possibilities are endless and include every imaginable and tasty ingredient. Make the most of this marvelous machine by understanding its basic operation, how to clean and service it, troubleshoot problems, and convert your favorite conventional recipes. Then try making hundreds of incredible international breads. Don't these make your mouth water?
