**Linda Merinoff : Gingerbread: 99 Delicious Recipes from Sweet to Savory** before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Gingerbread: 99 Delicious Recipes from Sweet to Savory**:

5 of 5 people found the following review helpful. An Innovative Sampler of Recipes made with GingerBy A CustomerIf you love the taste of ground ginger, you are bound to consult this cookbook frequently. Merinoff's (I checked the cover and copyright page of my book and as far as I can tell that's the correct spelling of the author's name) instructions are clear and her historical references add to the charm of this book.As for its recipes, the Pineapple Upside-Down Cake is outstanding, a small cake whose flavors improve over time. Looking for some mouth-watering main courses? Try the Chicken with Ginger-Corn Bread Stuffing or the Sauerbraten with Gingersnap Gravy.I think you'll be pleased with this purchase.0 of 0 people found the following review helpful. The Ginger Fantastic!By Rachel ShankmanThis is an absolutely fantastic cookbook. It gives you a lot of good recipes, variations and history. It's defiantly worth it especially at these prices!

The warm, spicy smell of gingerbread brings back fond childhood memories of snowy days and tall glasses of milk. Now culinary connoisseur Linda Merinoff has put together a mouth-watering compendium of delectable ginger based recipes. Line art.
