these lovely ladies are HUNGARIAN and i'm sure English is not their first language. This is not a book I could skip through to find my favorite parts...I had to read it through. One of my favorite parts of their work is the red painted cookies, the recipe for the red paint is a little hard to find on it's own...it is part of the instructions about glazing...but it is there. I love the practice sheets in the back!1 of 1 people found the following review helpful. a wonderful book. A detailed list of items needed to ...By mooseOverall, a wonderful book. A detailed list of items needed to make the cookies, with recipes, lots of pictures, 11 practice worksheets. And lots of ideas that I never thought to do with cookies. I see Christmas gifts and many wonderful creations from this one book. The book also includes directions or templates for gingerbread houses, bowls, boxes and gingerbread ceramic. A great resource for the beginner cookier and a way to spark some creativity in the experienced cookier.Thanks Tunde!
