My mother's recipes and cutouts for gingerbread sleighs disappeared years ago, so this book is a nice replacement. Love the pictures and love that the examples are more what a home baked version of gingerbread reindeer and houses would look like.1 of 1 people found the following review helpful. Make the tiny gingerbread houses! Adorable!By MSGNice book mainly for a novice gingerbreader!0 of 0 people found the following review helpful. Five StarsBy BlakeHad to get just for the recipe on the cover. Those cute

little gingerbread houses for the cup

Wow your family with gorgeous gingerbread goodies. Turn your kitchen into a magical winter world with 30 ideas ranging from cute gingerbread families and their gingerbread streets, to a delicious chocolate bird house and an edible star wreath. Packed with fun cookies and sticky gingerbread cakes, plus handy tips on how to avoid mistakes, create edible glue, and utilize templates included within. The book includes all the traditional Christmas favorites such as a Hansel Gretel House. There are also contemporary creations such as Mini Coffee Cup Houses, Glass Pressed Cookies, and a 3D Christmas Tree. Make perfect treats to slip into lunch boxes, serve up to friends at tea, give as gifts, or show off as your holiday centerpiece.
