Funkgot this after Christmas (I used my gift money :) ) and made the Chocolate Gingerbread....OMG was it amazingly delicious and super moist. There is nice detail and history and the recipes are very well written. I got mine used and the only complaint was that the paper cover was dirty (I tossed it, not big deal)0 of 0 people found the following review helpful. A Small TreasureBy Lady HaaseRecipes for all types of gingerbread abound in this small treasure. I actually was pleased to receive this. Recipes for building gingerbread houses usually aren't as tasty or soft in texture because of the need for strength in buildings. But, these recipes are from the "OLD" school of breads, cookies, cakes and other treats. Each is redolent of ginger, cinnamon, and other wonderful autumn spices.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerI just love it
