I've been living in Japan for almost a year now and I follow a whole food plant based diet. I know that traditional Japanese cuisine is very much veg-friendly if not just straight vegan, but it's very hard to find recipe books with SIMPLE dishes that are in

ENGLISH! I have eaten a number of these dishes but never knew how to make them. I am so excited to finally have a nice guidebook for surviving Japan as a Veg*n!! Wow! Thank you so much PJ Group! 0 of 0 people found the following review helpful. Free e-book By miznic Freebie - you get what you paid for...

Japanese cuisine is known world-wide for being delicious and healthy, with its emphasis on the freshness of ingredients and letting its natural flavors shine through. Japanese cuisine traditionally uses a lot of fruits and vegetables in their daily cooking, making it quite easy to adapt recipes for a completely healthy and meat-free diet. Go Vegetarian ndash; the Japanese Way! will help you create tasty and healthy Japanese-inspired vegetarian dishes for you and your family.
