Golde Hoffman Soloway : Golde's homemade cookies: A treasured collection of timeless recipes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Golde's homemade cookies: A treasured collection of timeless recipes:

2 of 2 people found the following review helpful. The best cookie book I've used
By Diane TI've used Golde's cookie book since it was first published in the 1980s. With few exceptions, it's the cookbook I pull out when it's cookie baking time. I made the cream cheese brownies this week, this morning I'm baking the honey zucchini bars. Other favorites are snickerdoodles and pecan treasures. I can't believe it's not still being published. It's an excellent little book for both beginners and experienced cooks.
3 of 3 people found the following review helpful. Every recipe I have used has been delicious!
By A CustomerI've used this book numerous times and every recipe has been delicious. I baked some cream cheese brownies and lemon squares for my class and my students loved them! This is by far the best cookie book I have come across.
1 of 1 people found the following review helpful. Replaces all others!
By Ellen DavisI have been baking almost as long as Golde and hardly ever use any other book for cookie recipes. I will give this book as wedding present to all my grandchildren.

"Cookies are her chosen realm and how sweet a world it is to visit." -- Publishers Weekly
