It invariably steered me towards charming places that had a good selection of real ales and good food. I never would have found the vast majority of these places on my own. I highly recommend this guide. 0 of 1 people found the following review helpful. Indispensable for Beer Touring in the UK By Jan Williams This is a totally reliable source for finding real ale across the entire UK. Organized by shires and towns, the pubs in this book offer as close as you'll ever get to a guarantee of a good pint.

Now in its 39th year, this guide is fully revised and updated with details of more than 4,500 locations across the UK serving the best real ale; from country inns to urban-style bars and backstreet boozers

"The definitive rundown of the best places in the UK to get a pint of real ale, from cosy country inns to upmarket style bars." —
