When I found a couple of recipes from Good Housekeeping they turned out exactly the way it was supposed to, I was elated. I own several cook books from Good Housekeeping every single recipe I have made has turned out great. They triple test their recipes give reasons why to use butter instead of margarine. Well, I have a

Each Good Housekeeping Cookie book contains too many same recipes! By Rae Xu I got three Good Housekeeping cookie books at a time. I thought they should be totally different since the covers and titles are different. But the fact is that each Good Housekeeping Cookie book contains too many same recipes! I am very disappointed. Plus, most cookie recipes don't go with a photo.. 0 of 0 people found the following review helpful. Cookie Monster Alert. By WalterHG My niece is gonna love this.

Simply the best cookie recipes ever! All triple-tested. Thanks to Good Housekeeping, the cookie jar will never be empty again. With these simple and satisfying recipes, even new bakers will make perfect cookies the first and every time. All the cookies were developed in the famous Good Housekeeping kitchens. Some recipes came from the staff, and others from the magazine's readers, but each one is triple-tested and tasty. All the ingredients of success are here: how to measure properly, select the right cookie sheets, time your recipes, and use specialized gadgets. Whip up some warm kitchen memories with irresistible Butterscotch Fingers, baked with pecans to accentuate the richness; giant Black-and-White Cookies; and holiday treats such as Christmas Rocks with candied fruit and Hamantaschen pastries for Purim.
