Rose Naftalin : Grandma Rose's Book of Sinfully Delicious Cakes, Cookies, Pies, Cheese Cakes, Cake Rolls and Pastries before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grandma Rose's Book of Sinfully Delicious Cakes, Cookies, Pies, Cheese Cakes, Cake Rolls and Pastries:

5 of 5 people found the following review helpful. Worth the cost for the 1-2-3-4 vanilla cake! By CookieThe seller provided prompt, courteous and personalized service. I purchased the book new, and despite it being published and printed in the mid 1970's, it arrived in pristine condition. Although there are no photographs, the recipes at first blush appear to be traditional homestyle baked goods from an era long before gourmet baking. The book is well worth the cost of the 1-2-3-4 vanilla cake. I made 1-2-3-4 vanilla cake a week ago and took the liberty of baking it in a 9x13 inch pan. I also added a homemade streusel topping consisting of equal parts butter, old fashioned oats, brown sugar, all-purpose flour, chopped slivered almonds and a tube of crumbled almond paste, which yielded the best coffee cake I have ever baked. I can hardly wait to try another recipe from Grandma Rose's book! 8 of 8 people found the following review helpful. Grandma Rose sold Paula Deen her first pound of butter By Pope Skippy XVI Grandma Rose was Paula Deen while Paula was still sacking sandwiches. Her recipes are a bit complex, but I have yet to find one that is not incredibly tasty. It is an older book, but there are recipes for things you remember and want to eat again. Her Boston

Cream Pie (listed under pies, not cakes) is the best I've ever tasted. Her cinnamon rolls predate cinnabon and are unbelievable fresh out of the oven. Get this cookbook. You will use it again and again. Stock up with butter and eggs and have a ball. Grandma Rose's Book of Sinfully Delicious Cakes, Cookies, Pies, Cheese Cakes, Cake Rolls and Pastries

1 of 1 people found the following review helpful. So glad I was able to get this from you By SL Silver So glad I was able to get this from you. It was one of the first cook books I bought in the 70's and is still my 'go to' cookbook for bakes items. Was happy I was able to buy a copy for my daughter in law who loves to bake.

"The desserts in this book are the stuff such dreams are made of. There are over two hundred recipes for cakes, cookies, pies, cheese cakes, cake rolls and pastries."
