Grandma's Old-Fashioned CookiesBy eskimillThis book is wonderful! It has full page pictures on EVERY right hand page so that you can see what your cookies will look like. Every recipe I've tried has been a winner! There are easy directions for even a novice cookie maker. Recipes range from drop, bar, fancy European, thumb print lace cookies. I remember a lot of these from when I was little; decades and decades and decades ago. This book is well worth the money, you will not be disappointed.0 of 0 people found the following review helpful. ExcellentBy Robert MackiewiczThis is one of the best cookbooks you can buy. I went back and bought another for my daughter. You won't be disappointed
