Love eating cake? Well, this weekend, get into the kitchen and bake a cake yourself. Baking is fun when you know how to do it, and you don't need lots of equipment or expensive ingredients. *Learn to Bake* explains baking terms (how do you beat, fold, or cream?) and special ingredients (what is strong bread flour?). Then it tells you everything you need to know to bake for every occasion and every person in your life. Bake the recipes in this book with your friends and family—get everyone involved, make a mess, have some fun, and bake something to be proud of.
