Leigh Linley : Great Yorkshire Beer: Good Beer. Good Food. Good People before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Yorkshire Beer: Good Beer. Good Food. Good People:

0 of 0 people found the following review helpful. Yorkshire beers according to meBy RadioManThis is a guide to some handful of breweries most ultra modern and small that enchanted the author. All the rest are left out. Not recommended. Save your money.

This is the perfect gift for connoisseurs and those who just fancy a decent pint. It features complementary food recipes. Yorkshire. Green hills, jagged drystone walls, flat caps, Yorkshire puddings, and - of course - pint upon pint of tawny Yorkshire Ale. The Yorkshire Pint is revered across the world, a mark of quality and a guarantee of satisfaction and craftsmanship. Except there's much more to it than that - much, much more. The current boom in Craft and Microbrewing that the UK is seeing has exploded across Yorkshire, and the Yorkshire beer of today is more than just a pint of best. The new generation of Yorkshire brewers are breaking rules and traditions, resurrecting lost dynasties, soaking up influences from food and brewing in other countries and bringing a wave of fresh ideas to our beloved Yorkshire beer. Leigh Linley has spent time with a handful of the regions newest and most critically-acclaimed brewers from the region, from the south to east ridings - and Great Yorkshire Beer is their story. Each brewer is interviewed and their most successful beers are profiled. Food pairings for the beers run throughout.

About the Author Leigh Linley has been writing about beer and food since 2007 on his popular blog, The Good Stuff. His work has also been published in Beer Magazine, Culture Vulture, Leeds Guide and has worked with Marketing Leeds promoting the pubs of Leeds. He lives in Leeds with his wife, Louise, and his infamous Border Terrier, Wilson.
