**Vijaylakshmi Baig : Gujarati Kitchen** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gujarati Kitchen:

1 of 1 people found the following review helpful. Amazing West Indian Cookbook!!!!By AnonymousThe recipe selections are fabulous! The directions and ingredients are simple and complete. This is perfect for the Kitchen Madonna and the novice.Beautifully illustrated through out, most recipes are represented pictorially.The cuisine is authentic and the ingredients are readily available at most Indian food stores; moreover, the same ingredients are used for many different recipes so you do not have to run out and buy exotic ingredients for each and every recipe.Overall, this is a delightful sampling of Gujarati cuisine that is both tasty and healthy.Perfect for vegetarians everywhere!See

the photos I posted for an idea of what you will find inside as well as the index of recipes.
