I just got it and I've made three recipes from it so far this week - Dutch Baby Pancake, Strawberry Crumble and Granola. All delicious and a big hit with the family. The cookbook itself it so appealing to touch and page through. I love the heavy cover and pages inside. The photography is lovely. Love this! 0 of 0 people found the following review helpful. Best baking book ever! By Peter We've used a lot of baking books and this one is one of the best ever. Favorite recipes are the flourless chocolate cake and the heartbreak chocolate cookies. 2 of 2 people found the following review helpful. Great desert cookbook! By Jeffexit7A very nice

Kamran Siddiqi, the talented young blogger behind The Sophisticated Gourmet, delivers simple yet sophisticated recipes in his first book--a collection of more than 75 of his favorite homemade baked sweets. Designed to entice young bakers with his infectious passion for baking (and sugar in all its glorious forms), the pages are filled with classic favorites like Cream Scones and Chocolate Cake, as well as lesser-known indulgences such as Arabian Nights Baklava and Pistachio Polvorones. With his trademark clear-cut instructions and glorious photographs of each and every treat, Hand Made Baking is perfect for aspiring home cooks with an eye for the elevated taste and beauty of all things hand made.

"Hand Made Baking feels lovely and personal, like you're peering into the kitchen of a friend who's invited you over for cake and coffee. From the dedication to the last headnote, a light air of charm and an apparent love of food permeate the writing. Everything in Hand Made Baking, from the friendly headnotes to the luscious images, draws you in and compels you to head straight for the kitchen." nbsp;nbsp;-- Food Network
