I just got my book today and I cannot believe how amazing it is! The detail in the step-by- instructions, to the all the needed tools and the images.....outstanding! I cannot wait to make tubs upon tubs of her mouthwatering buttercreams to have on hand. Another one of my favorite things about Jenn, is that she is so "Real"! She interacts with her fans. It would make a wonderful gift for fans of Jenn's YouTube show; and it would make a wonderful gift for people who just like to bake.
