Although my thoughts were in English, I could pronounce the local wines, cheeses and restaurant dishes with some confidence. My only foe paw was ordering soufflé 'glace' expecting a gloriously mile high dessert and instead receiving a delightfully frozen demi cup of ice cream...the soufflé waits for no one, so why wait?Order this little gem now!0 of 0 people found the following review helpful. refreshingly usefulBy Martin FranklinWhat a great little book. It should be required reading for food lovers as well as food servers. For the stiff American tongues, it provides an easy way to correctly order in the best restaurants with confidence and style. Magnifique!

Your guide to the correct pronunciation of European wines and cuisine that is both authoritative and user-friendly.
