Commers I haven't received my copy of this yet but I am ordering it because the Chinese Taoist Grandmaster I train under recommended it. That is enough for me. Plus I have looked in the book in a class I had and it looks wonderful. 0 of 0 people found the following review helpful. Great book! By Book Worm This book is great for anyone who enjoys cooking and wants to eat healthy food. The whole

book is full of colorful pictures with easy-follow recipes in both English and Chinese.

Excellent copy.
