I like this book and will be trying a number of ...By Kathleen PooreI'm a novice to using a Bread Machine and wanted to build a library of recipes and information. I like this book and will be trying a number of the recipes.0 of 1 people found the following review helpful. If you thing is healthy bread.By HankA pretty good Cookbook!1 of 1 people found the following review helpful. missing instructions, too many bread machine recipesBy CrazyForBookssome of the recipes are missing instructions. So many of them were for the bread machine too - that was not in the title, had it been, I would not have bought this book, as I do not have a machine. If she had included none machine instructions that would have been fine
